Cover Your Mouth And Turn Your Head

Cover your mouth and turn your head when you cough, cough, cough cough, cough, cough

Cover your mouth and turn your head when you cough, cough, cough cough, cough, cough

That's the Healthy Thing to do
We can even stop the Flu
So, cover your mouth and turn your head
When you cough, cough, cough,

Cover your mouth and turn your head when you Ah choo, Ah choo
Cover your mouth and turn your head when you Ah Choo Ah Choo

Cover up that coughing wheeze and I'll protect you from my sneeze
Oh, Cover your mouth and turn your head when you Ah... ah... choo!

I Have Two Eyes

I Have Two Eyes
I have two eyes to see with,
I have two feet to run,
I have two hands to wave with,
And nose I have but one.
I have two ears to hear with,
And a tongue to say "Good day".

My Toothbrush

I have a little toothbrush
I hold it very tight
I brush my teeth each morning,
And then again at night

Ready For School

When I get ready to come to school,
I jump right out of bed,
I wash my face, brush my teeth,
Pull my clothes over my head,
I run down stairs, drink my milk,
And eat my breakfast so slow,
Then I wave good-bye as I walk down the street
I'm so happy (smile) that I can go.
